Preface

The present volume brings together the contributions presented at the 5th Würzburg Conference on Technology Law on May 5th and 6th, 2017. The event was devoted to legal comparison between Germany / Europe and the USA, and was the prelude to the founding of a German-American working group, which will be specially dedicated to technology law in the United States and Europe.

Special thanks go to Roger Fabry for his excellent linguistic support.

Würzburg, December 2017

*Eric Hilgendorf
Jochen Feldle*

Table of Contents
